A matching button will be used to hide the few visible hand stitches at the center. See the picture for an example.

Upcoming Program for June! Table Runner Contest!

Thursday June 15th

Make a table runner to donate to our Maker's Market for Kla Ha Yah days and be eligible to win one of three great prizes! 1st, 2nd & 3rd gift baskets will be awarded by the member's voting on their favorite table runner at the June meeting. We will need the table runners turned in just before the meeting so we can display them for voting! Each participant will have the option of telling a bit about how they came up with the pattern they used. This is going to be so fun to see what you can do in a month's time and it will greatly benefit our group! We will sell the table runners for a reasonable price TBD. So, dig out those unfinished projects or orphan block and get quilting! Time is of the essence – Kla Ha Yah days is in July!

Thank you!
